

# TOP 10 TOOLS

## FOR HIGHLY PRODUCTIVE FOUNDERS

As an entrepreneur, you're always under pressure to get more done in less time. We've put together this list of the top ten tools to help you do just that.

We're all about focus so have purposefully kept this list short and to the point, it also means you can try out all of these tools to find your next favorite app today. So here goes:

1.

**focus@will**

focus@will combines **neuroscience + music** to boost productivity and tune out distractions!

2.

IFTTT (if this then that) helps you **do more with the services you love**. Connect Amazon Alexa, Facebook, Twitter, Instagram, Fitbit, Slack, Skype, and hundreds more.

3.

**Wunderlist**

**To-do list, Reminders, Errands**. Wunderlist excels in its simple, intuitive interface.

4.

Collect, nurture, and share ideas across desktop and mobile platforms with Evernote. **Your thoughts are always with you**, always accessible, always in sync.

5.

Enhance your social media management with Hootsuite, the leading **social media dashboard**. Manage multiple networks and profiles and measure your campaign results.

6.

Infinitely flexible. Incredibly easy to use. Great mobile apps. It's free. Trello **keeps track of everything**, from the big picture to the minute details.

7.

welcome to  
**e.ggtimer.com**

E.ggTimer.com is a simple **countdown timer**, or egg timer. Set a time and bookmark it for repeated use. You can also create a count down to a specific date or time.

8.

**StayFocusd**

StayFocusd increases your productivity by limiting the amount of time that you can spend on **time-wasting websites**.

9.

**SaneBox**

Inbox Zero is one click away. Automatic email filtering, one-click unsubscribe, email reminders and much more! SaneBox is the **answer to email overload**.

10.

**pocket**

When you find something you want to **view later**, put it in Pocket

**BONUS**

**Google**

Mastering **Google search operators** means you'll find better answers in less time. This skillset is invaluable and can literally save you hours on end.
