

Hot Seat Tracking Sheet

The hot seat puts you in the spotlight with the Tribe focusing on you and any particular problems or issues you are facing. It's where they harness all their wisdom, experience and knowledge to help you. It's one of the most valuable parts of being in a Mastermind so we encourage you to participate fully to get the maximum benefits.

HOT SEAT TRACKING									
Person's Name	Week								Date
	1	2	3	4	5	6	7	8
